Where There's A Will By Lori Knutson

Chapter Twenty-Two – Reading Comprehension Questions:

- Grammie says that Victoria is stubborn. What word does Charly's mom use to describe her?
 - angry
 - sad
 - obstinate
 - obtuse
- Near the beginning of this chapter, Charly narrates the following: "Mom doesn't argue, but she doesn't apologize, either." What isn't Charly's mom apologizing for?
 - Not believing what Charly's told her about Katherine.
 - For drinking way too much coffee.
 - For letting Victoria come to stay in the O'Leary house.
 - For not kicking Victoria out of the O'Leary house.
- Grammie says: "Might take more than banging cookware to **oust** her." Which of the following is the best meaning of the word "oust"?
 - to force somebody out
 - to gently convince somebody to leave
 - knights on horseback trying to knock each other off
 - to find someone another place to live
- In this chapter, Charly describes herself this way: "That jacket makes me feel like a turtle, clumsy and slow." This is an example of:
 - a metaphor
 - a simile
 - a synonym
 - an antonym
- At the end of this chapter, Grammie comments that Victoria must have left the O'Leary house in a hurry. What makes her think this?
 - The floor is not swept.
 - Victoria left a bunch of her stuff behind.
 - The note Victoria left is unfinished.
 - There are dirty dishes in the sink.
